EXPERIENCE:

RECENT PROJECTS:

Streamables   Live site | Github

Created a responsive web app that allows users to quickly and efficiently search for a show or movie and see what streaming service it is viewable on in Canada.

Alli's Cheesecake   Live site | Github

Designed and built a fully responsive website for a client that owns a small part time cheesecake business.

The Seinfeld Game   Live site | Github

Created a responsive web app game based on the characters of the tv shows Seinfeld.

FRONTEND WEB DEVELOPER - DRYDEN CONSULTING
October 2021 - Present

Designed and created a responsive static website for a small part time business owner which helped decrease the dialogue time between owner and customers via email for orders by **75% per customer**.

Client: **Alli's Cheesecake**
